

Dear Applicant,

Thank you for taking up the opportunity to apply for the position of U5 Principal at Avondale Primary School. We are seeking an inspiring leader to assist the Board to consolidate and build upon the excellent work of the current Leadership team.

We are very proud of our children and the culture of our school, with strong values and the ongoing development of a positive sense of self underpinning our learning. The Board of Trustees is a dedicated group of individuals who collectively possess a range of skills and experience, and are committed and excited to be able to support our new Principal in further advancing our learners and the school. Together we form a strong team able to ask questions of each other to better our performance, with a commitment and integrity to speak as one.

As a board we have a strong relationship with our Principal built on trust, honesty, and reciprocity. We look forward to establishing this relationship with the new Principal. The successful applicant will be expected to bring a fresh set of eyes and ideas to our school to critically review the current direction, gain an understanding of our school and student culture, and maximise educational success for all.

We thank you in advance for the time and effort spent submitting your application and look forward to finding out more about you. This is a critical appointment for our school; therefore all applications will be read by the full board. You will be notified on your progress as soon as possible during the process.

Yours faithfully,

Anthony Gibbs
