

MANGAKAHIA AREA SCHOOL TE KURA TAKIWA O MANGAKAHIA

Principal Job Description

A full job description will be created by the Commissioner and Principal while developing the 2022–2024 School Strategic Plan.

The initial job description includes the following key priorities to be completed by the end of Term 4 2022:

- Establishing professional relationships with the staff and students
- Strengthening community engagement with key groups including Te Ropu Takiwa o Mangakahia, who represent the five marae in the Mangakahia Valley and the Mangakahia Community Trust
- Lead community work strands according to the community vision for the school
- Assessment of property requirements for the ongoing upgrade of school facilities while working with the local Ministry.
- Developing the 2023 budget and priorities
- Reviewing the school curriculum and developing the 2023 targets
- Spending time in classrooms and assessing professional development needs and targets
- Strengthen tikanga māori and scope the establishment of bi-lingual programmes

Each of these priorities will require a detailed action plan.
