

TARGET ROAD SCHOOL

WHĀIA TE ITI KAHURANGI

Dear Applicant

Thank you for taking the time to apply for the position of Deputy Principal at Target Road School. Our school has been going through a number of exciting changes over the past year, including the appointment of our amazing new Principal, Fina Hallman. We are now looking for a new Deputy Principal to work with her and the rest of our brilliant staff in order to help shape our school towards being an inclusive and sought-after school.

The successful applicant will lead a school with a current roll of around 450, set in generous grounds in the Glenfield/Sunnynook area. We are very fortunate to have such a space for our children to develop in and with an exciting property development plan in place to enhance this further and allow for roll growth. Target Road School is part of the Kaipatiki Kahui Ako, and they provide amazing support to our school, through professional development and other learning opportunities.

Target Road School has an active and supportive School Board. The successful applicant will be someone who will want to work collaboratively with the principal, and also the Board when required. We are proud of the school community that we currently have, and this is something that is important for us not to lose.

Two other key assets to our school that should not go unmentioned are the incredible staff that work tirelessly for the benefit of our learners and wider community. I have no doubt that our new Deputy Principal will be thrilled to work with a group of staff that work so well together. Secondly, we have an inspiring group of learners at Target Road School, with a range of varying needs and abilities – the successful applicant will be someone who shares our vision that all learners can find their passion and achieve their potential.

I would encourage you to review our school website so that you can learn more about our school – we have much to be proud of.

We invite applicants to send in their application material and to be assured that the Board is going to appoint according to the State Sector Act – the “best person for the job”. All applicants will be notified as to their progress very soon after decisions have been made.

Yours faithfully
Sarah Burkitt
