

# Te Kopuru School

## Principal/Tumuaki U3

Our dedicated principal of twenty-one years is retiring, and we are seeking a worthy successor to replace her.

We are an innovative full primary school with a roll of 115 students. We are situated in the rural town of Te Kōpuru, 10 kilometres south of Dargaville. We are a whānau-oriented school known for providing a culture of inclusiveness, collaboration, and high achievement.

We are seeking someone who is a competent leader, has strong personal and interpersonal skills, excellent curriculum knowledge, proven ability to lead learning, and has a well-developed child-centred education philosophy.

We are seeking an experienced, highly motivated, and energetic leader who will embrace the journey we are currently on and be committed to our school and community vision for our young people.

Te Ao Māori has a clear presence in our school culture and there is a warm and supportive relationship with whānau. We are committed to supporting the school's bi-cultural curriculum.

This is an exciting opportunity to join a vibrant and creative school with strong values, a dedicated and professional staff, a supportive community, and School Board.
