

- TOMARATA SCHOOL -

Tomarata School Principal Position U2

Tomarata School is a little country school with a big heart. Located 15-20 minutes drive from nearby towns Wellsford and Mangawhai, we're spoiled with the pristine surf beaches Te Arai and Pakiri, as well as the beautiful Tomarata Lakes, on our doorstep.

We are a small, diverse and exciting full primary school (Years 1-8) with a supportive community and Board and all the benefits of a stunning country location and environment. Our children are real country kids - climbing trees, building huts and chasing butterflies.

We are seeking a new Principal to take the reins in 2023 who is passionate, energetic, hard working and who has children at the heart of everything they do. You will need excellent communication and interpersonal skills that inspire and build strong relationships with our school community.

We are looking for a leader who is highly organised with strong curriculum knowledge, proven ability to lead learning and who is excited about providing the best educational opportunities for our tamariki.

We are proud of our vibrant and varied learning environment; our new Principal will embrace the journey we are currently on and support and grow our existing programmes, including our beloved Nature Classroom.

This is an exciting opportunity to join a school with sound values but with the capacity for growth.

Nurture the seed and it will blossom/Poipoia te kakano kia puawai
